

SUGAFREE & KOKANE

LOS ANGELES, CALIFORNIA

Legacy hip-hop and rap artists Suga Free and Kokane have collaborated to bring us a fun and funky single SugaKane.

Suga Free connects with the master of G-Funk, Kokane in "SugaKane," the duo's first single off of their forthcoming album *Power Of The P*, set to drop in 2022 and featuring production from Ant Banks, Tha Chill, Cutty Dre, Prohonzak and more.

Earth, Wind & Fire's 'Shining Star' meets Snoop Dogg's 'Ain't No Fun' with a far-out flow that doesn't miss a beat. Bringing the 70's to 2021, this song has a lighthearted nature to fill any dullness with groovy vibes and good times. This is only a taste of what is to come from this duo.

The two are set to release a full album together in early 2022, with 'SugaKane' being the title track and first single. With a music video to follow the single before dropping another track off the forthcoming album, get ready to turn up the jukebox and get your dancing shoes on because 'SugaKane' is the groovy hip-hop tune that we have all been missing.
